Have you ever experienced something so devastating in your life that you feel no one else could have possibly gone through the same thing? Are you afraid to move towards your destiny because your fears are holding you back and weighing you down like “baggage”? From Pain 2 Poetry: The Bag...The Lady...The Experience Volume 1 is a compilation of poems written by 4 women and inspired by the emotional journey of women through life changing experiences. Some of the experiences are joyful, encouraging, and empowering while others are painful, devastating, and difficult. However, it is all of these experiences collectively that help to shape the life of a woman. This collection of poems expresses the strength, character, beauty, and heart of a woman. It will take you on a journey from her lowest point where she feels as if all hope is gone, to her highest point where she feels encouraged and empowered to move forward with her life. You may not have written these poems, but you could tell some of the same stories because you too have lived it (or at least something similar to it). But now it's time to turn the pages of your past, close that book and create a new story. One of Forgiveness, Renewal, Encouragement and Empowerment! Let the journey begin...
