**Murder at the Colossus** Allan Williams

WHO KILLED THE ARCHITECT OF THE NEW COLOSSUS?

The classic Agatha-Christie style puzzle is brought into the twenty-first century with a bi-sexual detective who not only has to solve the mystery but fend off suspects--male and female--who seem determined to have sex with him.

Ten letters fell from the New Colossus at the detective's feet. One read: 'I am going to kill the other writers of these notes.' And soon the deaths began.
