Dear reader,

My character has been shaped by two opposing forces; the pressure to conform to social norms, and the pressure to be true to myself. To be honest with you, these forces have really torn me apart. They've pulled me one way and then the other. At times, they've left me questioning my whole entire existence.

But please don't think that I'm angry or morose. I'm not. Because through adversity comes knowledge. I've suffered, it's true. But I've learnt from my pain. I've become a better person.

Now, for the first time, I'm ready to tell my story. Perhaps it will inspire you. Perhaps it will encourage you to think in a whole new way. Perhaps it won't. There's only one way to find out...

Enjoy the book,

Yew Shodkin

Psychological, radical and irresistible; The Little Voice will make you question everything you take for granted. It truly is a modern-classic in the making.
