## **The Walking Bread** Rick Grains

From the creators of BAKING BAD and GAME OF SCONES comes the ghoulishly funny spoof cookbook THE WALKING BREAD, inspired by the hit television series that viewers have been hungrily devouring for the past five years.

Fans of the show will be dying to get their hands, and jaws, on this new pun-tastic, post-apocalyptic installment that features edible recipes inspired by key moments on the show, such as Carol's Tough Nut Cookies and Rick's Ribs. Don your apron (and your eye patch) and prepare for the very best of dystopian cooking.
