## Unity of Good Mary Baker Eddy

“Eminent members of the church have cast doubts upon such vital doctrines as the Immaculate Conception and the Resurrection. Doctrines, therefore, may safely be laid aside to come to the fundamental question, on which all these doctrines are based, Did Spirit create matter? In other words, Are the material universe and the human race the creation of God? There is the whole question, and every one is subsidiary to it, as Mrs. Eddy saw perfectly clear when she wrote in ‘Unity of Good’: ‘What is the cardinal point of the difference in my metaphysical system? This: that by knowing the unreality of disease, sin, and death, you demonstrate the allness of God. This difference wholly separates my system from all others. The reality of these so-called existences I deny, because they are not to be found in God, and this system is built on Him as the sole cause. It would be difficult to name any previous teachers, save Jesus and his apostles, who have thus taught.’” -The Christian Science Journal
