Whittaker Chambers

Witness Whittaker Chambers

[Read by John MacDonald]

First published in 1952, *Witness* came on the heels of America's trial of the century, in which Whittaker Chambers accused Alger Hiss, a full-standing member of the political establishment, of spying for the Soviet Union. In this penetrating philosophical memoir, Chambers recounts the famous case as well as his own experiences as a Communist agent in the United States, his later renunciation of communism, and his conversion to Christianity. Chambers' worldview -- "man without mysticism is a monster" -- helped to make political conservatism a national force. *Witness* packs the emotional wallop and the literary power of a classic Russian novel and has gained Chambers recognition by critics on both sides of the spectrum as a truly gifted writer.

From reader reviews:

Maria Kraus:

Here thing why that Witness are different and reputable to be yours. First of all studying a book is good however it depends in the content than it which is the content is as yummy as food or not. Witness giving you information deeper and different ways, you can find any e-book out there but there is no guide that similar with Witness. It gives you thrill reading through journey, its open up your own personal eyes about the thing that happened in the world which is might be can be happened around you. You can easily bring everywhere like in park, café, or even in your way home by train. In case you are having difficulties in bringing the printed book maybe the form of Witness in e-book can be your substitute.

Heather Snyder:

People live in this new morning of lifestyle always make an effort to and must have the free time or they will get lots of stress from both day to day life and work. So , once we ask do people have time, we will say absolutely indeed. People is human not really a robot. Then we question again, what kind of activity do you possess when the spare time coming to a person of course your answer can unlimited right. Then ever try this one, reading publications. It can be your alternative with spending your spare time, the particular book you have read is Witness.

Harold Felix:

Do you really one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Try to pick one book that you never know the inside because don't ascertain book by its handle may doesn't work this is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer can be Witness why because the fantastic cover that make you consider with regards to the content will not disappoint you actually. The inside or content will be fantastic as the outside or even cover. Your reading sixth sense will directly make suggestions to pick up this book.

Sean Ward:

In this era globalization it is important to someone to acquire information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of recommendations to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher that will print many kinds of book. The book that recommended to your account is Witness this reserve consist a lot of the information of the condition of this world now. That book was represented so why is the world has grown up. The terminology styles that writer make usage of to explain it is easy to understand. The particular writer made some investigation when he makes this book. That's why this book suited all of you.
