## **Blackberries, Blackberries (Kentucky Voices)** Crystal Wilkinson

As the title implies, this beautifully written collection bursts with stories reminiscent of blackberries—small, succulent morsels that are inviting and sweet, yet sometimes bitter. Crystal Wilkinson provides an almost voyeuristic glimpse into the lives of her characters: Two misfit teenagers seek stolen moments of love and acceptance in the cloak of night ("Hushed"); a woman spends every waking hour obsessed with dying yet ironically watching her loved ones pass away before her ("Waiting on the Reaper"); a wife confronts her husband's mistress in a diner over potato skins and cornbread ("Need"); and a pious young woman's torment erupt in a violent and unsuspecting resolution ("No Ugly Ways").

The stories in this award-winning collection are terse and transient, like snippets taken from random dreams, thoughts, or conversations. Wilkinson is able to embed a vibrancy into each stunningly descriptive and evocative tale. Infused with humor, sadness and honesty, this provocative and haunting work features a new foreword and a new afterword by nationally acclaimed authors Nikky Finney and Honorée Jeffers.
