## **Corporate Defense and the Value Preservation Imperative: Bulletproof Your Corporate Defense Program (Internal Audit and IT Audit) Sean Lyons**

This is the first book to finally address the umbrella term corporate defense, and to explain how an integrated corporate defense program can help an organization address both value creation and preservation. The book explores the concept of the value preservation imperative as representing an organization's obligation to its stakeholders to take adequate steps to preserve value and help defend against value erosion, reduction, or destruction. For the first time the reader is provided with a complete picture of how corporate defense operates all the way from the boardroom to the front-lines, and vice versa. It provides comprehensive guidance on how to implement a robust corporate defense program by addressing this challenge from strategic, tactical, and operational perspectives. This arrangement provides readers with a holistic view of corporate defense and incorporates the management of the eight critical corporate defense components. It includes how an organization needs to integrate its governance, risk, compliance, intelligence, security, resilience, controls and assurance activities within its corporate defense program.

The book addresses the corporate defense requirement from various perspectives and helps readers to understand the critical interconnections and inter-dependencies which exist at strategic, tactical, and operational levels. It facilitates the reader in comprehending the importance of appropriately prioritizing corporate defense at a strategic level, while also educating the reader in the importance of managing corporate defense at a tactical level, and executing corporate defense activities at an operational level. Finally the book looks at the business case for implementing a robust corporate defense program and the value proposition of introducing a truly world class approach to addressing the value preservation imperative. Cut and paste this link ([m.youtube.com/watch?v=u5R\\_eOPNHbI](https://m.youtube.com/watch?v=u5R_eOPNHbI)) to learn more about a corporate defense program and how the book will help you implement one in your organization.
