**Irishography: Connemara, Croagh Patrick, Coppers and Everywhere Else We Love in Ireland** Ronan Moore

In his second book Ronan Moore, author of *Irishology*, has created a humorous and irreverent guide to every county in Ireland: Galway, where rainfall is measured not in millimetres but in days; Limerick which is a little like the Keyser Soze of Irish counties with a name far more notorious than the place ever was; and of course Fermanagh, which regularly tops the list of Irish counties that people forget when trying to name all 32.

With a keen eye and a sharp wit Ronan Moore takes us on a cheeky tour of Ireland, pointing out the finest features of our fair isle along the way.

Discover a side of Ireland you ve never seen before with *Irishography*.
