The Tommyknockers

Stephen King

The Tommyknockers Stephen King

“Stephen King never stops giving us his all” (*Chicago Tribune*) in this #1 national bestseller about the idyllic small town of Haven, Maine, and its encounter with a deadly evil out for a diabolical invasion of body, soul—and mind.

Something was happening in Bobbi Anderson’s idyllic small town of Haven, Maine. Something that gave every man, woman, and child in Haven powers far beyond those of ordinary mortals. Something that turned the town into a deathtrap for all outsiders. Something that is buried in the woods behind Bobbi’s house. With the help of her friend, Jim Gardener, they uncover an alien spaceship. And as they learn more about this strange discovery, the citizens of Haven begin to change: The townspeople are being welded into one organic, homicidal, and fearsomely brilliant entity in thrall to the Tommyknockers, who piloted the alien ship.

In *Tommyknockers*, “Stephen King at his best” (*San Francisco Chronicle*), King has given us a “brilliant, riveting, marvelous” (*The Boston Globe*) novel. “You will not be able to put this down” (*Los Angeles Times Book Review*). And the next time someone raps at your door, you may want to keep the chain on. It just might be the Tommyknocker Man.
