Try Not 2 Die Vell Sweeny

Ben Hunt thought his days as a government agent were over, but there is no escape. Nearby, in the steamy heat of the Amazon jungle, natives are dropping dead, bleeding from every orifice. Racing to foil a terrorist plot that threatens the entire world, Ben ventures into the Amazon to take down the terrorists before it's too late. On the way, he encounters a suspicious archaeological expedition on the hunt for a cursed gold idol, an heiress in search of her husband for reasons she will not reveal, a treacherous rubber-tapper, a maniacal Nazi war criminal, and the fanatical extremists behind it all. Nothing is as it seems. Everyone wears a deceitful mask. But in the jungle there are no rules. Despite his resolve, Ben is dangerously drawn to the spirited, young heiress. Sizzling sex, spine-tingling suspense, adventure, and romance all ignite as tensions mount in this shocking, edgy thriller.
