Unlocking the Secret of the Erev Rav Rivka Levy

Warning: This book could change the way you see the world.

The mysterious group of people called the 'Erev Rav' have stayed hidden in the shadows of Jewish history for more than three millenia. For the first time, this book pieces together some of the deepest Jewish sources and commentaries to paint a picture of the Erev that's complex, engaging and occasionally disturbing.

In these pages, you'll find the answer to questions like:

- Who *are* the Erev Rav?
- How are they really connected to the Jewish people?
- Why have they got such a bad name?
- How do they behave?
- Why are they still a problem for the Jewish people, even in our modern times?
- How are they connected to global redemption, and the coming of Moshiach?
- What can we do, to meet the challenge they pose to us and our communities?

This book is like reading a mystery thriller about the Jewish people, just so much better.
