10 Steps to Gardening with Nature Carole Ann Rollins, Elaine Ingham

This 100-page full color paperback provides practical guidelines and steps to follow to be successful in a Gardening With Nature program. Both authors hold a PhD and are known experts in the organic gardening industry. Gardening With Nature means more than just switching from chemical fertilizers to organic gardening products or implementing sustainable growing practices. "The switch" involves implementing a whole new preventative approach to gardening. Through a question-and-answer format the authors describe how to grow organically and sustainably using this Gardening With Nature approach. The beautiful photos and colorful illustrations enhance the text by being engaging, informative, and inspiring.
