British Armoured Car Operations in World War I Bryan Perrett

Readers have come to expect a level of detail and critical rigor from the established military historian and author Bryan Perrett. They will not be disappointed at all here by this new publication. Focussing predominantly on the British armored car units of World War One, it also untangles many fascinating strands forming the history of modern warfare. Full of detail, it acquaints the reader with the complete history of the armored car, from invention onwards, setting the history of its Great War service career firmly in context. Well written in an accessible style, this publication serves as an impressive tribute to the armored car, one of the most effective weapons utilized by the allies during the course of the Great War.
