Best Advice on Finding Mr. Right: An iVillage Solutions Book

Best Advice on Finding Mr. Right delivers savvy secrets for finding (and keeping!) the man a woman deserves - straight from other women who've successfully navigated the dating scene. From how to flirt to how to get him to commit, this book provides common-sense advice served up with spunk for the woman looking to find love - and make her relationship work.

"Flirting is essential. I think the woman should signal men to let them know they will be receptive so that he can feel comfortable approaching. Anyone can learn how to flirt. I did, and I am somewhat introverted."

"If you're hanging out with a cluster of girlfriends, get away from them. Men fear the mob of women. Break away from your crowd for a moment to give him the opportunity to approach when you're alone. And if that doesn't work, spill your drink on him."
