In the finale, the Turner and Baker women are at odds over the men who've captured their hearts. Clara Baker has reasons near and dear to her for being so hell bent on keeping her daughter, Destiny Baker, away from Jacob Turner. Reason #1, Jacob's father, John Turner left her high and dry with the burden of their love to bear over four decades ago. Clara puts forward a tough exterior, but the dormant pain she's kept a secret for forty years is eating away at her soul. When she lays eyes on Jacob's father, fireworks spark in the least expected way. With John's wife, Tammy Turner, cocked and ready to do whatever it takes to keep her husband, both Destiny and Clara are in for their fair share of heart wrenching drama. Meanwhile, John is prepared to do whatever it takes to make things right with Clara. Through it all, Jacob and Destiny are left to navigate the waters that were muddied by their parent's choices well before their time. To complicate matters, Justine still hasn't given up on a second chance with Jacob. Will Jacob and Destiny's love be enough to make it to the altar or will their parents and Justine's shenanigans finally sever their bond beyond repair?
