[PolyAmour: Erotic Historical Multiple Partner Romance, M/F/M, voyeurism, HEA] Princess Estelle Moreland is married to a brutish man who is making her life a living hell. She tries to follow her dissolute husband to one of his favorite brothels in the seedier side of London, needing evidence necessary for a legal divorce. Thugs attack her in an alley, but she's rescued by two of the most gorgeous men she's ever seen. They take her with them as they escape. When Prince Julian Thurstan and Count Alek Faust meet Estelle and hear why she was in such a neighborhood, they decide to take action. In the process of freeing Estelle, they ignite a fire of passion in her that burns red-hot and can't be extinguished-no matter where they are. In 1890s London, the legal system is stacked against women. Julian and Alek set about releasing Estelle from her horrid matrimonial bonds, matching wits against a cruel and cunning man determined to keep his only source of wealth-his wife. Note: This book was previously published with another publisher and has been extensively revised and expanded. ** A Siren Erotic Romance
