The Bonniest Companie Kathleen Jamie

In her extraordinary new collection, Kathleen Jamie examines her native Scotland—a country at once wild and contained, rural and urban—and her place within it. In the author's own words : "2014 was a year of tremendous energy in my native Scotland, and knowing I wanted to embrace that energy and participate in my own way, I resolved to write a poem a week, and follow the cycle of the year." The poems also venture into childhood and family memory—and look to ahead to the future. *The Bonniest Companie* is visionary response to a year shaped and charged by both local and global forces, and will stand as a remarkable document of our times.
