The Secret Strength of Angels: Virtues to Live By Frederic Flach MD KCHS

We all have a notion of what angels are and what they should look like. We've seen angels portrayed in paintings, sculpture, movies, and TV. But even with hundreds of books and TV shows on angels, is there something about them that we've missed? Indeed there is, says Dr. Frederic Flach in this trade paperback version of the remarkable and inspiring book. Angels have very specific attributes-seven in particular-that we humans would do well to emulate. Not just for our place in the hereafter but to help us lead happier, healthier, and more fulfilling lives here on earth. Learning from angels will strengthen both our mental and physical health. Learning from angels can help us become more loving and generous, make better choices, become a real support to others, and even use our minds more effectively. Learning from the angels can help us communicate better and understand what others are trying to communicate to us.
