**Wandering Son: Book Two** Shimura Takako

**Our heroes enter the sixth grade in volume two of this legendary series.**

In the second volume of Shimura Takako's superb coming-of-age story, our transgendered protagonists, Shuichi and Yoshino, have entered the sixth grade. Shuichi spends a precious gift of cash from his grandmother on a special present for himself, a purchase that triggers a chain of events in which his sister Maho learns his secret, and Shuichi inadvertently steals the heart of a boy Maho is interested in.

The woman who showed so much interest in Yoshino (when she was wearing a boy's school uniform) in volume one reappears with her boyfriend, and becomes a mentor and friend to the two children. And the kids go on a class trip that is a rite of passage Shuichi would rather pass up. Shuichi is called a "faggot" by another boy, and the dramatic nature in which Saori comes to Shuichi's defense leads the two to discover a shared fondness for *Anne of Green Gables*. But despite his propensity to cry (a propensity noted repeatedly by his more outgoing sister), Shuichi finds strength and courage he didn't know he had.

A sophisticated work translated with sophistication by veteran translator and comics scholar Matt Thorn. 200 pages of black-and-white comics
