Burs Under the Saddle: A Second Look at Books and Histories of the West

Ramon F. Adams

Burs Under the Saddle: A Second Look at Books and Histories of the West Ramon F. Adams

"This immense book, by a noted bibliographer of the West, is beyond question the fairest, most complete and most learned evaluation of printed references to western outlaws to appear until now....It will stand for many years, solid as a rock amid the flooding maelstrom of western myth and legend, pointing up the truth about those men of the past who lived by their wits and their guns. It will be impossible for anyone studying that era and such men to do so without reference to this volume."—*Los Angeles Times*

"Adams turns again to the books and histories of the western gunmen and outlaws and critically examines 425 titles, most of which rate as 'burs' under his saddle. Ramon Adams' plea is that the writers must stop compounding each other's errors into legend. In this book, with great skill and without malice, he has pointed out past mistakes. His book should be in the essential baggage of every writer on western outlaws and on every library shelf."—*American West*

"The value of this book to writers and historians of the badman tradition cannot be overestimated, for Adams has replaced rumors, myths, and falsehoods with documented historical facts. It is a book for all conscientious students of and writers on the American West; henceforth, any writer of 'authentic Western history' who refuses to check with Adams should be, as the judge said to Billy the Kid in one legend, 'hanged by the neck until dead, dead, dead.'"—*Southwest Review*

From reader reviews:

Winnie Logan:

Reading a book tends to be new life style in this particular era globalization. With reading through you can get a lot of information that can give you benefit in your life. Having book everyone in this world could share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or even their experience. Not only the story that share in the textbooks. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their talent in writing, they also doing some investigation before they write to the book. One of them is this Burs Under the Saddle: A Second Look at Books and Histories of the West.

Carl Moss:

Playing with family in a very park, coming to see the marine world or hanging out with good friends is thing that usually you might have done when you have spare time, and then why you don't try point that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Burs Under the Saddle: A Second Look at Books and Histories of the West, it is possible to enjoy both. It is good combination right, you still desire to miss it? What kind of hang type is it? Oh occur its mind hangout fellas. What? Still don't obtain it, oh come on its named reading friends.

Louise Fulghum:
