The Eye of the Sibyl and Other Classic Stories (The Collected Stories of Philip K. Dick)

Philip K. Dick

The Eye of the Sibyl and Other Classic Stories (The Collected Stories of Philip K. Dick) Philip K. Dick
“The collected stories of Philip K. Dick are awe inspiring.”—*The Washington Post*

Many thousands of readers worldwide consider Philip K. Dick to have been the greatest science fiction writer on *any* planet. Since his untimely death in 1982, interest in Dick's work has continued to mount and his reputation has been enhanced by a growing body of critical attention. The Philip K. Dick Award is now presented annually to a distinguished work of science fiction, and the Philip K. Dick Society is devoted to the study and promulgation of his works.

This collection draws from the writer's earliest short and medium-length fiction (including several previously unpublished stories) during the years 1952–1955, and features such fascinating works as *The Eye of the Sibyl*, *The Little Black Box*, *The Electric Ant*, and many others. Here, readers will find Dick's initial explorations of the themes he so brilliantly brought to life in his later work.

Dick won the prestigious Hugo Award for best novel of 1963 for *The Man in the High Castle* and in the last year of his life, the now-classic film *Blade Runner* was made from his novel *Do Androids Dream Electric Sheep?* More recently, Dick's short story *The Minority Report* inspired a Steven Spielberg movie as well as a TV series.

The classic stories of Philip K. Dick offer an intriguing glimpse into the early imagination of one of science fiction's most enduring and respected names.

“Philip K. Dick's best books always describe a future that is both entirely recognizable and utterly unimaginable.” —*The New York Times Book Review*

“More than anyone else in the field, Mr. Dick really puts you inside people's minds.” —*The Wall Street Journal*
