Bamboo Gridshells

David Rockwood

Bamboo Gridshells David Rockwood

This highly illustrated text brings together two areas which have both grown in popularity in recent years: gridshells and bamboo.

Bamboo is a fast-growing, naturally available, renewable resource which is quite strong and lends itself to structural applications. In this unique text, David Rockwood demonstrates the viability of bamboo as a building material and considers the advantages – as well as the challenges – of working with bamboo. Its properties, workability, connections, assembly, erection processes, structural behavior, and final use are explored in detail through a series of design-build experiments and case studies from Hawai'i and Vietnam.

The only book available on the subject, *Bamboo Gridshells* provides a comprehensive introduction to this emerging technology which will be of interest to anyone working in the areas of sustainable or environmental design, ecological construction, low technology strategies, or alternative materials.

From reader reviews:

Frank Anderson:

The reason why? Because this Bamboo Gridshells is an unordinary book that the inside of the guide waiting for you to snap this but latter it will zap you with the secret it inside. Reading this book adjacent to it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any longer or you going to regret it. This unique book will give you a lot of advantages than the other book have got such as help improving your proficiency and your critical thinking means. So , still want to hold off having that book? If I were being you I will go to the guide store hurriedly.

Randy Acevedo:

Are you kind of stressful person, only have 10 or 15 minute in your morning to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are having problem with the book as compared to can satisfy your short time to read it because all this time you only find publication that need more time to be read. Bamboo Gridshells can be your answer mainly because it can be read by anyone who have those short free time problems.

Keith Reese:

Beside this Bamboo Gridshells in your phone, it can give you a way to get more close to the new knowledge or information. The information and the knowledge you will got here is fresh from your oven so don't end up being worry if you feel like an aged people live in narrow village.
