Fallout (A Wyatt Novel)

Garry Disher

Fallout (A Wyatt Novel) Garry Disher

Australian jewel thief Wyatt has a bounty of stolen jewels and a yacht, but nothing can stop him from returning to his life of crime. He drugs his lover, police officer Liz Redding, and escapes into the night only to discover the gems he lifted are fakes. With his luck and his resources rapidly running out, Wyatt begrudgingly joins forces with Raymond, his estranged nephew and an established criminal himself, to lift some expensive artwork.

It should be an easy job—the gallery is under construction and Wyatt has performed similar heists before. But it isn't long before things go south, leaving Wyatt with some tough choices. Will the young and eager Raymond prove to be a worthy pupil or is he nothing but deadweight? For Wyatt, putting faith in other people has never been as tempting... or as dangerous.

From the Hardcover edition.
