Founding Fathers Funnies Peter Bagge

The American Revolution has never been funnier! America's founding fathers were brilliant, brave, forward-thinking. . . and ridiculous, at least in the eyes of cartoonist and history buff Peter Bagge! "I find myself laughing out loud whenever I read of their foibles, especially when their oversized egos clashed," says the author. This collection of short vignettes features some of our country's best-known historical figures (along with several lesser-known players) and includes all *Founding Fathers Funnies* cartoons from *Apocalypse Nerd* and *Dark Horse Presents*. This hardcover also features several brand new stories and additional biographical information!

"I can count on one hand the number of comic artists whose work is as strong . . . Maybe on two or three fingers." -Robert Crumb

"Peter Bagge is one of the best comic storytellers ever." -*Vice*

"Peter Bagge remains one of those premiere old-school 80s/90s alt-cartoonists who built their careers one corrosively funny page at a time." -*The A.V. Club*
