## Obsession in Black and White I. M. Telling

**Darla's life changed forever** the day she discovered her husband's hidden stash of interracial sex stories in the closet. Shocked and appalled, her initial thoughts were to throw them into the trash but then, Aaron would know she was aware of his kinky fetish.

Her journal was her only confidant and she shared her worries and concerns by writing in it nearly every day. Why were these stories of interest to her husband? Did he secretly want his own wife to submit to a black man?

Seeking an understanding of her husband's interest, she decides to read one of the books herself. By the time she turned the last page, she knew what she had to do. She became obsessed and nothing would ever be the same again.
