Sand to Spectacle The Dubai Mall Boxed: DP Architects Nartano Lim, Widari Bahrin

The Dubai Mall, completed in 2008, is currently the world's largest mall and one of the largest structures in the world. Sand to Spectacle - The Dubai Mall – DP Architects documents the design process of Singapore-based DP Architects as it realised a building the size of a city in just over four years from sketch to construction. The authors perform an in-depth analysis of the historical, architectural, culture and physical forces at play in the building's design, and supplement the text with a unique comparative study of Dubai and Singapore to describe The Dubai Mall as a product of both local and global influences.
