Teen Mothers--Citizens or Dependents?

Ruth Horowitz

Teen Mothers--Citizens or Dependents? Ruth Horowitz

In a book that speaks clearly and forcefully to the heart of the welfare debate in the United States, Ruth Horowitz examines one of the most critical questions of welfare policy: how can a United States government program help teen mothers—one of the most needful groups of all welfare recipients—move from welfare dependency to employment, independence, and responsible citizenship?

"Rich vignettes reveal the complexities of teenage mothers' lives, particularly the disjuncture between classroom and street identities, 'inside' and 'outside.' . . . Original and illuminating as well as timely."—Sharon Thompson, *Women's Review of Books*

"Horowitz offers insights that should be considered in the debate over welfare reform. . . . *Teen Mothers* . . . places Horowitz's results in the context of major theories about the role of welfare in the U.S. and offers a microlevel critique of the implicit assumptions and probable consequences of each theory's approach to welfare reform."—*Booklist*
