St Catherine of Siena's Dialogue describes the entire spiritual life through a series of conversations between God and the soul, represented by Catherine herself. Readers of The Dialogue of Saint Catherine of Siena, will find her revelations from God as informative - and formative - as those who recognized her sanctity during her life.

The universally applicable yet intimately personal messages she received from God are as much for us as they were for Catherine. We can read God's communications to his beloved daughter with detached awe or we can receive His messages to us through her writings.

Do you long for certainty that Divine Providence exists in the midst of our chaotic world? Does your prayer seem too dry, or too routine? Have you sought guidance for the challenges of your life from unhelpful people or things? Or has pride kept you from humble obedience to the Church? If so, The Dialogue will provide consolation, encouragement, and hope.
