The Idanha Hotel: A Thunder Mountain Novel (Volume 9) Dean Wesley Smith

1902: Boise, Idaho. Megan Taber loves her job baking at the Idanha Hotel. Widowed young, she knows the rest of her life revolves around her baking. Carol Kogan, a doctor and researcher from the future, eats breakfast every morning at the Idanha Hotel just for Megan's fresh breads. Until one fine May morning in 1902, when Carol meets Megan outside the hotel. Before they finish their conversation, Megan collapses from a massive heart attack. Carol knows saving Megan with 1902 medicine would prove impossible. But saving her with future medicine might prove even more dangerous—for both of them. A twisted, heart-wrenching addition to the acclaimed Thunder Mountain series. "Thunder Mountain by Dean Wesley Smith is one of those reads that defies genre classification. Take some romance, throw in a little bit of historical fiction and add a dash of time travel and science fiction and you have the basis for this interesting story. ... The premise for Thunder Mountain is intriguing and will appeal to fans of both historical and science fiction. This is an easy, light read, and I am interested in revisiting these characters on their future adventures." —Fresh Fiction
