We live in one of the most interesting time periods of history. **The Lord seems to be setting the stage for His return as never before.** One of these major stage-setting trends that we are currently seeing is the rise of a coalition of nations that harbors a hostile intent toward Israel. No matter which presidential administration comes into office in this nation and no matter how the calendar turns, this is an issue that does not seem to go away.

The prophet Ezekiel foresaw these things 2,600 years ago in a vision along the Chebar River in Babylon. Now, respected Bible Prophecy teacher, Dr. Andy Woods, explains the vision of Ezekiel.

- WHEN will it take place?
- WHY will all this happen?
- WHAT will the war look like?
- HOW will this all come together to fulfill Ezekiel's prophecy?

Dr. Woods concludes with seven powerful points of application.
