Alexi Petterov & the Curse of the Gypsy Prince: The Blue Rose Saga: Book 1 (The Blue Rose Sage)

Paul S. Nowak

Alexi Petterov has spent his whole life in the same secluded mountain village where he'd been born. The only exciting thing that ever happens there is the annual visit by a tribe of wandering gypsies. When one of the mysterious strangers invites him along, Alexi is caught between his family's expectations and living the life he always wanted. Alexi quickly finds himself in over his head in a world where love is not the only kind of magic. Will he find his place out in the great unknown or will a confrontation with a sadistic warlord cut short his happy ending? *** Originally created as part of National Novel Writing Month, Nowak set out to tell the kind of story he'd always wanted to read. Several renditions later, his debut novel has turned out to be exactly that.
