Samantha Craft

Everyday Aspergers Paperback - July 1, 2016 Samantha Craft

Through 150 telling journal entries, Samantha Craft presents a life of humorous faux pas, profound insights, and the everyday adventures of a female with Asperger's Syndrome. A former schoolteacher and mother of three boys, Craft doesn't experience ordinary everyday happenings like most. In her vivid world, nothing is simple and everything appears pertinent. Even an average trip to the grocery store is a feat and cause for reflection. From being a dyslexic cheerleader with dysgraphia going the wrong direction, to bathroom stalking, to figuring out if she can wear that panty-free dress, Craft explores the profoundness of daily living through hilarious anecdotes and heartwarming childhood memories. When she's not laughing at the bizarreness of her days or reflecting back, then she's sharing the serious and relevant challenges of everyday living on the autism spectrum. Ten years in the making, Craft's revealing memoir brings Asperger's Syndrome into a spectrum of brilliant light-exposing the day-to-day interactions and complex inner workings of an autistic female from childhood to midlife.
