With A Dying Breath was a finalist in the 2013 Next Generation Indie Book Awards for the Science/Nature/Conservation category, as well as in the 2014 NIEA Indie Excellence Awards in the Nature Category. This is a wonderfully written, well-researched book by one of the most passionate people on this earth. You will be amazed to learn of all of the preventative measures that can help slow and one day, hopefully stop the extinction of so many of the Earth's gorgeous creatures. Mr. Walkden has put so much love into his work and should be very proud of his efforts to raise awareness for these animals. Complete with pictures donated by over 70 photographers and artists, this book discusses why some of these species are endangered, why recovery is a challenge, and what we can be doing to help, before more of these amazing animals are gone forever. All royalties raised from the sale of this book will be donated to the IUCN (International Union for the Conservation of Nature) and the IUCN Red List. ~\*~ With a Dying Breath" is an amazing book about our world's precious wildlife. So many animals today are being faced with challenges to thrive in the wild, and Tony Walkden tells the stories of some of the rarest creatures on Earth!" Jack Hanna, Director Emeritus, Columbus Zoo Host, TV's "Into the Wild" and "Wild Countdown" ~\*~ Tony, you are an inspiration. Thank you for all you do for our world, and never give up! You bring home to us all. Philippe Cousteau ~\*~ Dear Tony, Congratulations on this important book. Thank you so much for sending me a copy. I hope it finds a wide audience, especially in school. David Suzuki ~\*~ Dear Tony, Very many congratulations for producing such a fabulous book. With A Dying Breath is a fantastic collection of informative writing. All the best, Stephen Fry

#### **Teresa Fernandez:**

As a student exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this With A Dying Breath can make you sense more interested to read.
