As Linux continues its rapid expansion into Corporate America, the demand for qualified administrators has grown. As the Cisco, Microsoft, A+ and other certifications have shown, professional certifications are often a deciding factor when an individual is considered for a job. The Linux Professional Institute Certification 1 offers the validation of skill level beyond the power-user and helpdesk level, at an entry-level admin base.

LPIC 1 Certification Bible is organized around the exam objectives. It includes self-assessment questions with each chapter as well as an inclusive practice exam at the end of the book. Plus, you'll find plenty of exam-taking tips and hints based on the live exams.

Covers: Exam LPI-101
