Stronger Together: A Blueprint for America's Future Hillary Rodham Clinton, Tim Kaine

For more than a year, Hillary Clinton has laid out an ambitious agenda to improve the lives of the American people and make our country stronger and safer. *Stronger Together* presents that agenda in full, relating stories from the American people and outlining the Clinton/Kaine campaign's plans on everything from apprenticeships to the Zika virus, including:

- Building an economy that works for everyone, not just those at the top.
- Making the biggest investment in good-paying jobs since World War II, including infrastructure, manufacturing, clean energy, and small business.
- Making debt-free college a reality and tackling the student debt crisis.
- Defeating ISIS, strengthening our alliances, and keeping our military strong.
- Breaking down the barriers that hold Americans back by reforming our broken immigration system, ending mass incarceration, protecting voting rights, and fixing our campaign finance system.
- Putting families first through universal, affordable health care; paid family and medical leave, and affordable child care.

Stronger Together offers specific solutions and a bold vision for building a more perfect union.
