Ta-Ta Grandma

Jeffery Wright

Ta-Ta Grandma Jeffery Wright

When Flinty's mother Blossom returns after seven years from Toronto to Spring Valley, a rural Jamaican village, she finds her teenage son facing the same dim future as the island, which is sizzling with the political tensions of the 1970's, and idling out his life on a dangerous roller-coaster of misadventures.

Ta-ta, Grandma opens with Flinty, who lives with his grandfather Hutch and his sprightly grandmother Catherine. He and his four, restless friends pull every trick to avoid school work. Flinty, whose passions are cricket and reggae music, plans to leave for Canada, learn how to build earthquake-jolting music sound systems and then return to put fear into God-fearing Christians, with thunderous, irreverent noise. Even after a new, tough, male teacher challenges Flinty, nothing is preventing him and his trouble-prone friends from tumbling from one mischief to the next--until tragedy strikes and forever changes their lives.

This fast paced, high tension story--woven through with traditional folk tales, juicy gossip, political tension, and death-defying cricket matches-- is hilarious, mystical and insightful. Set in the picturesque, lush, rolling hills of Jamaica's Cockpit-Country region, Ta-ta, Grandma is superb for adults, young and old, who want to skip the familiar tourist destinations and trek deeply into the island's interior to experience its warmth and caring culture.

From reader reviews:

Emma Englund:

Information is provisions for those to get better life, information these days can get by anyone with everywhere. The information can be a understanding or any news even a concern. What people must be consider if those information which is in the former life are challenging be find than now could be taking seriously which one would work to believe or which one often the resource are convinced. If you obtain the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Ta-Ta Grandma as your daily resource information.

Gary Copeland:

Why? Because this Ta-Ta Grandma is an unordinary book that the inside of the guide waiting for you to snap this but latter it will surprise you with the secret this inside. Reading this book alongside it was fantastic author who else write the book in such incredible way makes the content within easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book possess such as help improving your skill and your critical thinking way. So , still want to postpone having that book? If I ended up you I will go to the reserve store hurriedly.

Robert Russell:

Playing with family in a park, coming to see the sea world or hanging out with friends is thing that usually you will have done when you have spare time, after that why you don't try issue that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Ta-Ta Grandma, you can enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh seriously its mind hangout fellas. What? Still don't get it, oh come on its called reading friends.

Alisa Gordon:

In this particular era which is the greater person or who has ability in doing something more are more valuable than other. Do you want to become one among it? It is just simple method to have that. What you must do is just spending your time very little but quite enough to possess a look at some books. One of several books in the top checklist in your reading list is actually Ta-Ta Grandma. This book that is certainly qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking upwards and review this guide you can get many advantages.
