The Dangers of Doing Good (Arrangements, Book 4) Rebecca Connolly

The road to love...

Life had never been particularly kind to Annie Ramsey. She was poor, uneducated, and without any prospects except misery and pain at the hands of her brother, or whomever he decides she ought to marry. But when a handsome, kind stranger offers her another way, she must decide if she is brave enough to change her situation. Or if she dares to hope for more.

...is paved with good intentions.

Duncan Bray could not resist the urge to help the young woman he found in the wintery chill of Yorkshire, feeling driven to save her from the dismal life she lived. Taking her to London and introducing her to a new life there would provide opportunities for her beyond what she ever could have imagined. But he never dreamed how this particular good deed would change everything for him as well.
