Thomas Hooker

Excerpt from *The Poor Doubting Christian Drawn to Christ: Wherein the Main Hindrances Which Keep Men From Coming to Christ Are Discovered; With Special Helps to Recover God's Favour*

Evasv minister, especially if a pastor, meets with Chris tians who suffer spiritual trials, of various forms and de grees of intensity. Bis solicitude as a conscientious and affectionate watchman for souls, is awaked for such; while he yet feels uncertain on the precise counsels to be given, for'their instruction and relief. A book therefore, which can be put into their hands, adapted to their necessities; which they can read repeatedly; by which they can ex amine their own hearts; over which they can pray; through the aid of which they can understand the causes of their sorrows, and find their way out of perplexity and darkness, into light and comfort, cannot fail to be esteemed of great worth. A book of such a character, it is believed, will be found in the present little volume. It will subserve the two-fold purpose of guarding Christians against the devices of their adversary; and preventing discomfort and mistakes relative to their spiritual state. The biographical sketch of the venerable author will apprize the reader how well qualified he was to deal with cases of spiritual per.

N at only the private Christian but the minister will find this little work worthy of frequent perusal. As the physi cian avails himself of the books of experienced and skillful practitioners: so the Christian minister feels it a privilege to avail himself of the results of the studies, experience and observation of his fathers and brethren, who have been wise and successful in their treatment of the cases of amictv ed and tender-spirited Christians.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
