From Beneath the Tarp Susan M. Perry

From Beneath the Tarp is a true story of one woman's journey through the realities of domestic violence. Although an innocent childhood supplanted a healthy self-esteem, the betrayal of a traumatic marriage launched her into a world she never knew existed. The cycle of violence is detailed in this story of courage and renewal. May God receive the glory for this woman's transformation, healing and redemption. In the end, this is a story about hope, and hope never disappoints.
