Welcome to the theological book of our church. The Church of Self Indulgence. We welcome you with open arms and do not judge you - you are a perfect creation. You can finally be honest with who you are and what you believe. Release your inhibitions and be yourself. Magnum Opus - Secrets of the Inner Sanctum explains the new emergence of an old religion in today's modern culture. From the bottomless pit comes the workings of Aleister Nacht. With a modern view of an old religion, he brings the darkness to life in a very tangible manner. As a writer, Nacht has succeeded in placing the sinister arts "front and center" in step with the times. His book, Magnum Opus - Secrets of the Inner Sanctum, has connected with the emerging multitude that refuses to swallow and believe the lies of the religious establishment. With an easy to read "how to" approach, Nacht manages to offer searchers an alternative based upon truth and reason....instead of hypocritical religious rhetoric and lies. The Master calls. Will you answer?
