## Rag and Bone Michael Nava

From one of the most highly praised writers in mystery fiction, a swan song for a flawed hero.

In six novels, Michael Nava's stories featuring gay Mexican-American lawyer Henry Rios have resonated across a wide spectrum of readers, but his seventh, and final, Rios novel is the most haunting one of all. *"Counsel, your time has expired," the presiding justice said. He was very nearly right. For fifty-seven seconds, I died.*

Recuperating from a heart attack, Rios learns with astonishment that his estranged sister had had an illegitimate daughter when she was young, and that the girl is grown now, with a son of her own and an abusive husband. When the man is shot dead, and the bruised wife confesses, Rios immediately assumes the battered wife acted in self-defense, but gradually small discrepancies emerge, and before long Rios finds himself on the path to a much darker, more complex truth . . . a truth that will lead him to some life-altering events of his own.

Filled with memorable characters and exquisite writing, Rag and Bone is further proof that "if you haven't discovered Nava yet, an uncommonly rich experience awaits" (*Kirkus Reviews*).

### From reader reviews:

#### **Wanda Mason:**

What do you regarding book? It is not important together with you? Or just adding material when you want something to explain what yours problem? How about your extra time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Every individual has many questions above. They need to answer that question because just their can do which. It said that about publication. Book is familiar in each person. Yes, it is appropriate. Because start from on kindergarten until university need this particular Rag and Bone to read.

#### **Timothy Lumpkin:**

This Rag and Bone book is just not ordinary book, you have after that it the world is in your hands. The benefit you obtain by reading this book is usually information inside this publication incredible fresh, you will get info which is getting deeper you read a lot of information you will get. This Rag and Bone without we comprehend teach the one who reading through it become critical in considering and analyzing. Don't always be worry Rag and Bone can bring when you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cellphone. This Rag and Bone having very good arrangement in word as well as layout, so you will not sense uninterested in reading.

#### **Richard Broderick:**

Here thing why this specific Rag and Bone are different and reputable to be yours. First of all reading a book is good but it depends in the content than it which is the content is as delightful as food or not. Rag and Bone giving you information deeper since different ways, you can find any e-book out there but there is no reserve that similar with Rag and Bone. It gives you thrill looking at journey, its open up your own eyes about the thing that will happened in the world which is perhaps can be happened around you. You can easily bring everywhere like in recreation area, café, or even in your way home by train. If you are having difficulties in bringing the published book maybe the form of Rag and Bone in e-book can be your choice.

#### **Darren Perez:**

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Rag and Bone can make you experience more interested to read.
