See You on the Other Side: A Lung Transplant Survivor Story Shirley E. Jewett

Shirley Jewett's See You On The Other Side is a front to back thought-provoking book about a single lung transplant patient's experience from searching for a diagnosis to living with a lung transplant. She covers the wait for transplant; how a lung transplant is performed; recovery from surgery; the aftercare and compliance required. Shirley tells how she completed her "Bucket List" and how she lives with "transplant disease". This is also the story about how a loving supportive spouse/caregiver can make a positive difference to a chronically ill patient.
