## **Stupid Citizens** Jackson Blue

All too often, the average citizen's view of the police comes from high-profile tragedies such as the events of Ferguson, Missouri, or the cherry-picked, adrenaline-charged interactions shown on the TV show Cops. These examples do not represent the true range of situations that make up a patrol officer's daily routine. The 57 true-life stories presented in Stupid Citizens focus on humorous police interactions, from the point of view of the officer who lived through them. Jackson brings a decade's worth of police experience to the forefront in Stupid Citizens. The stories are meant to entertain while also serving the dual-purpose of informing the reader on how modern policework is conducted at the street level. This book was a labor of love for Jackson, and he hopes you enjoy it!
