The Flaw of the Navigator Jessica Renee Mendoza

A cybernetic organism inventor and scientist named Sacha from planet Vula leaves his planetary system with a crew of 70 aboard the ship he built and navigates, in search of materials needed to rebuild his population after a great collision which destroyed their planet and two moons. After arriving to planetary system H6138, they discover a planet rich in resources but Navigator Sacha finds himself disagreeing with Overseer Loy on the necessary protocols upon discovery of intelligent life and ultimately realizes the sanity of the Overseer is unsound.
