## **Think Differently Live Differently: Keys to a Life of Freedom** Bob Hamp

Wrapped around an extended parable about a child, lost from his real parents and found and raised by a couple completely at odds with his heritage (his real family are renowned acrobats), this book shows us that the Gospel Jesus shared maybe different from the one we have heard. Each of us born separated from our true Father and suffers from the ingrained habits of our 'false parents' and even when we come into God's family, we often find barriers stand in the way of us becoming who God intends us to be. Bob Hamp encourages us to look and think again about everything we thought we knew. He explains why so many of us remain in captivity and shows us how we can access true freedom.
