Don't call me a demon. I prefer the term Fallen Angel.

Everybody deserves a vacation, right? Especially if you have a pointless job like tormenting the damned. So who could blame me for blowing off my duties and taking a small, unauthorized break?

Besides, I've always wanted to see what physical existence is like. That's why I "borrowed" the slightly used body of a slacker teen. Believe me, he wasn't going to be using it anymore anyway.

I have never understood why humans do the things they do. Like sin—if it's so terrible, why do they keep doing it?

I'm going to have a lot of fun finding out!
