Sky Gardens: Rooftops, Balconies, and Terraces Principal Signe Nielsen

Leading landscape architect Signe Nielsen shares her years of experience, and draws on other professional projects to present this incredible design portfolio. Great design ideas are combined with practical tips on transforming an outdoor living space into a personal oasis. Lavishly illustrated with hundreds of examples, this book provides a stunning portfolio of hidden treasures and is packed with innovative and useful suggestions. You will be able to make informed choices for everything from style to plant selection. The book guides you through steps toward composing a sky garden, beginning with key principles of design. Discover endless possibilities for creating a special place, whether a shady nook for relaxation or a dramatic vista for alfresco dining. Bring your airy retreat to life by choosing from eye-catching plant combinations and furniture arrangements. Add the finishing touch with lighting, outdoor sculpture and ornaments, and fountains and other water effects that make a garden uniquely your own. This is an invaluable resource for everyone planning to renovate or build a rooftop, terrace, or balcony garden. With expert advice and images from a leading landscape architect, you will be inspired to express your personality by adapting the ideas to suit your taste, needs, and budget.
