What Is God?

Jacob Needleman

What Is God? Jacob Needleman

In his most intimate and revealing work, religious scholar Needleman cuts a clear path through today's clamorous debates over the existence of God, bringing an entirely new way of approaching the question of how to understand a higher power.

In this new book, Jacob Needleman-whose voice and ideas have done so much to open the West to esoteric and Eastern religious ideas in the twentieth and twenty-first centuries-intimately considers humanity's most vital question: **What is God?**

With rich, vivid examples from his experiences in the classroom and other walks of life, Needleman draws us closer to the meaning and nature of this question-and shows how our present confusion about the purpose of religion and the concept of God reflects a widespread psychological starvation for a specific quality of thought and experience. In varied detail, the book describes this inner experience, and how almost all of us-atheists and believers alike-actually have been visited by it, but without understanding what it means and why its intentional cultivation is necessary for the fullness of our existence.

From reader reviews:

Janice Delarosa:

People live in this new day time of lifestyle always attempt to and must have the free time or they will get lots of stress from both daily life and work. So , if we ask do people have time, we will say absolutely yes. People is human not just a robot. Then we question again, what kind of activity are there when the spare time coming to you actually of course your answer will probably unlimited right. Then do you try this one, reading books. It can be your alternative throughout spending your spare time, the particular book you have read is definitely What Is God?.

Peggy Elmore:

Playing with family inside a park, coming to see the ocean world or hanging out with pals is thing that usually you might have done when you have spare time, and then why you don't try issue that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love What Is God?, it is possible to enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh can occur its mind hangout folks. What? Still don't obtain it, oh come on its known as reading friends.

Juan Dishon:

As we know that book is essential thing to add our information for everything. By a e-book we can know everything you want. A book is a set of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This book What Is God? was filled concerning science. Spend your spare time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading some sort of book. If you know how big selling point of a book, you can feel enjoy to read a publication. In the modern era like now, many ways to get book that you just wanted.

Earl Quintana:

Reserve is one of source of expertise. We can add our understanding from it. Not only for students but additionally native or citizen want book to know the upgrade information of year to be able to year. As we know those publications have many advantages. Beside all of us add our knowledge, can bring us to around the world. From the book What Is God? we can get more advantage. Don't you to definitely be creative people? To be creative person must choose to read a book. Only choose the best book that acceptable with your aim. Don't be doubt to change your life by this book What Is God?. You can more pleasing than now.
