Christ Reveals Himself and the Future: A Seminar Covering Every Chapter of Revelation Erwin R. Gane

As the elderly apostle John gazed out over the sea from the Isle of Patmos, an astonishing panorama opened before him, and he saw the entire remaining sweep of Earth's history to the close of time and the dawning of eternity. What John saw was not what some mistakenly call secret or hidden information. Rather, the vision he wrote out that would become the Bible's book of Revelation was just that—a revelation—in which Jesus revealed Himself and the future. This book, by Erwin R. Gane, Ph.D., is a review of what Jesus shared about Himself and the impending future, based on long and careful study of Revelation by a scholar with a pastor's heart. To read these pages with an open mind and heart is not only to add to your knowledge of Bible prophecy but can also be life-changing.
